## LIMITED WARRANTY

**Industrial Manufacturing Corporation (IMC)** warrants each new IMC Series Scraper to be free from defects in material and workmanship for six (6) months from product delivery date.

Any part thereof which proves to be defective in material or workmanship in normal use will be repaired or replaced. IMC reserves the right to repair or replace at the discretion of IMC. Parts damaged through normal wear and tear are not included in this warranty. This warranty does not include any charges for travel or shipping. The manufacturer is in no way liable for damages to an IMC product, user's property, or personal injuries that are traceable to improper installation, maintenance, or use of an IMC product. IMC will in no way be liable for lost income during inoperable periods.

This warranty does not extend to any products which have been subject to misuse, accident, or improper application, installation or maintenance; nor does it extend to products which have been repaired or altered outside of the manufacturer's plant unless authorized in writing by the manufacturer or unless such installation, repair, or alteration is performed by the manufacturer; nor does this warranty extend to any labor charges for removal and/or the replacement of non-conforming or defective product or part thereof.

The user must submit a warranty claim form to the main office to be considered for any warranty replacement or repair. Forms can be obtained from any authorized IMC dealership or by contacting the main office of IMC. The forms are also available for download from the IMC website, [www.imcscrapers.com](http://www.imcscrapers.com). All warranty claims must be submitted within thirty days of incidence in order to be considered valid.

This is the only warranty made and no other is to be implied.
